Shift your perspective on digital business.

The NEXT Conference is a two-day knowledge festival that discusses relevant digital trends in the fields of design, marketing and product development, while exploring their impact on human behaviour. NEXT likes to provoke debate with an annual main topic that will be announced in spring.

Some people who helped shape NEXT in the past:

Amber Case

Research Fellow,
MIT Media Lab/Center
for Future Civic Media

Tricia Wang

Co-Founder,
Constellate Data

Andrew Keen

Author, How To Fix The
Future

Nell Watson

Associate Faculty AI &
Robotics, Singularity
University

Jamie Bartlett

Writer, The Dark Net &
Radicals

Tim Leberecht

Author, The Business
Romantic

The full flavour of NEXT

- International Keynote Speakers
- Expert Discussions
- Talent Meetups
- Networking and Collaborations
- Reeperbahn
- Tech Demos
- Workshops and Master Classes

Marketing and product leaders, digital economy executives, innovative corporations and start-ups join NEXT for inspiration, knowledge transfer and entertainment in several unique venues across the world famous Reeperbahn. Partnering with Reeperbahn Festival, NEXT creates a buzzing festival atmosphere.

Get your ticket now!

NEXT is an invitation only event with a carefully curated audience. That is why we ask you to apply for a ticket first. We offer different rates for "Corporate People", "Service People", Startups and more. Ticket prices vary from EUR 490 to EUR 990, depending on the season and attendee group. Visit nextconf.eu for details.

Want to join NEXT with your team? Special rates for groups are also available. Just drop us a line at groups@nextconf.eu.

Any questions? We're happy to help. Call us at +49 40 39 88 55-464 or email to info@nextconf.eu.
